

## Weekly Update December 18-20th

On the Monday- Wednesday before we leave on break, the students will be progress monitored. It is my goal to get all the kids tested by Tuesday, that way Wednesday they can unwind and play some fun reading games! :) I will be sending their folders home on Tuesday with their information, please return these either Wednesday or when your student returns from break. Thank you and enjoy your week!!

Mrs. Dittmore
